We help people achieve great things through **innovative solutions.**

Powered by Microsoft Azure

Loved by our clients.

Nothing matters more to us than client satisfaction. When you partner with ASI, you can be assured that not only will you receive a solution that meets your needs, but you will also be backed by a company committed to your long-term success. But don't just take our word for it, read what our clients have to say.

Continuous Performance Improvement MACHINE

iMIS EMS is the world's only Engagement Management System (EMS)™ – fusing database management and web publishing into a single system. Harnessing the power of Microsoft Azure's cloud platform, iMIS EMS is purpose-built to meet the most important challenge facing associations and non-profits – **Engagement.**

iMIS EMS unifies your member and donor data, email communications, events, fundraising, accounting data, and much more, including your website...in an ever-evolving continuous performance improvement machine.

Hundreds of best-of-breed solutions complement the iMIS platform, allowing your data to flow through a single system.
